MAIORA

Italian elegance, crafted for the soul.

A HOME BEYOND TIME

Maiora is the soulful, timeless expression of Next Yacht Group – a crafted object of quiet refinement with true emotional value when travelling at sea. Calm proportions, tactile materials, natural light and ageless forms create intimate sanctuaries where presence replaces spectacle.

Every Maiora is shaped for unhurried living – warm craftsmanship, silent comfort and enduring beauty – not to be shown off, but to be felt. Maiora is a home beyond time, created for those who travel not just to arrive, but to experience the journey itself.

YACHT GROUP

Two Souls, One Vision

Next Yacht Group represents a new horizon in Italian yacht building – where technology and craftsmanship converge to redefine life at sea.

Its identity flows from two complementary souls: AB Yachts, the performance-driven expression of speed and precision, and Maiora, the embodiment of quiet elegance and refinement.

Together they form a continuum of excellence that balances adrenaline and comfort, engineering and emotion.

Rooted in the historic tuscany shipyards of Viareggio and Massa, the Group's mission is to craft yachts that are not only objects of beauty and innovation, but enduring companions of experience – vessels that navigate the future with intent, grace, and unmistakable Italian character.
