

MAIORA

*Italian elegance,
crafted for the soul.*

A HOME BEYOND TIME

Maiores is the soulful, timeless expression of Next Yacht Group – a crafted object of quiet refinement with true emotional value when travelling at sea. Calm proportions, tactile materials, natural light and ageless forms create intimate sanctuaries where presence replaces spectacle.

Every Maiores is shaped for unhurried living – warm craftsmanship, silent comfort and enduring beauty – not to be shown off, but to be felt. Maiores is a home beyond time, created for those who travel not just to arrive, but to experience the journey itself.

42 Exuma

The Rinascimento of Living at Sea.

The 42 Exuma transforms the onboard experience through a layout that amplifies space, light, and serenity.

Architectural purity and seamless transitions shape each deck, creating a sense of refined openness. She stands as the flagship expression of long-range comfort, elegance, and innovation.

An infinity upper-deck salon fully dedicated to the Owner and adjustable forward sun area.

LAYOUT: THE NEW PARADIGMA

The Maiora 42 Exuma transcends the constraints of nautical tradition: guest cabins no longer confined to the lower decks, central salons no longer oversized and underused, and crew spaces no longer an afterthought. **Every element has been boldly reimagined.**

The upper deck – traditionally the most vibrant area on yachts of this size – has been **redesigned as a sanctuary**, free from technical clutter and operational pathways. A new concept of privacy and liveability emerges, offering the Owner and guests an exclusive, intimate space where the sea feels closer, and time more their own.

The yacht spans four decks and can comfortably accommodate up to 12 guests in four VIP cabins and the Owner's suite, all located on the main deck. The crew area includes 5 cabins for 9 people.

A new Vision of Elegance at Sea

Maiora 42 Exuma is where spaces with soul are created for you to come home.

Born from the firsthand experience of those who inhabit life of the sea and shaped by two masters of design, Giorgio Maria Cassetta for the exterior lines and ELIE SAAB for the interiors, the 42 Exuma breaks away from outdated conventions to create a radically new onboard experience reimagining yacht living with effortless elegance.

Cassetta Yacht Designers

Giorgio Maria Cassetta brings architectural clarity and balanced proportions to the 42 Exuma, shaping exterior lines rooted in discretion, precision, and harmony.

His design approach combines technical efficiency with a refined aesthetic sensibility, translating engineering into calm, fluid forms. With extensive experience across yachting and residential projects, he elevates every detail from concept to completion. In the 42 Exuma, his vision expresses a mature, contemporary evolution of Maiora's design language.

Elie Saab

ELIE SAAB brings his signature sense of refined luxury, translating the tactile world of haute couture into warm, contemporary yacht interiors. His work blends craftsmanship, material richness, and a timeless architectural sensibility, creating spaces that feel both intimate and luminous.

Recognised globally for his unmistakable aesthetic, he enriches the 42 Exuma with a distinctive combination of elegance and modernity. This collaboration marks his debut in yachting interiors, extending his design universe into a serene, sophisticated world at sea.

YACHT GROUP

Two Souls, One Vision

Next Yacht Group represents a new horizon in Italian yacht building – where technology and craftsmanship converge to redefine life at sea.

Its identity flows from two complementary souls: AB Yachts, the performance-driven expression of speed and precision, and Maiora, the embodiment of quiet elegance and refinement.

Together they form a continuum of excellence that balances adrenaline and comfort, engineering and emotion.

Rooted in the historic tuscan shipyards of Viareggio and Massa, the Group's mission is to craft yachts that are not only objects of beauty and innovation, but enduring companions of experience – vessels that navigate the future with intent, grace, and unmistakable Italian character.

ENGINEERING GROWTH, BUILDING EXCELLENCE

Today Next Yacht Group stands as a solid, contemporary industrial reality: over 67,000 m² of shipyard surface across two production sites, a portfolio surpassing €100 million, and more than 380 yachts delivered worldwide.

Since its relaunch, the Group's workforce has expanded by over 140 percent, supported by specialised design, engineering and after-sales divisions.

With a €100 million production value in 2025 and ten outfitting stations ready for bespoke construction, Next Yacht Group has evolved from a boutique shipyard into a structured, forward-thinking luxury powerhouse – united by innovation, progression and Italian craftsmanship under one distinctive name.
