BRABUS
AB 150

BRABUS is a leading global luxury design house based in Bottrop, Germany, in the heart of Germany's historic Ruhr region. Since 1977, the family-owned company has been renowned among enthusiasts in more than 100 countries for the development of high-end supercars, boats, motorcycles and a wide range of exclusive design products, as well as for its expertise in automotive refinement. BRABUS offers a highly diversified and consistently expanding product portfolio defined by its signature **One Second Wow mission**.

As an international lifestyle brand, BRABUS focuses on innovation through state-of-the-art technology, uncompromising attention to detail and the use of only the highest-quality materials—drawing on nearly five decades of experience to enable maximum, tailor-made individuality.

COMMAND THE SEA, MASTER SPEED

THE ULTIMATE LUXURY FOR THOSE WHO DARE

AB Yachts is the performance soul of Next Yacht Group-where extreme speed and refined Italian luxury coexist as a single identity. Aerospace-derived waterjet propulsion, lightweight composite construction and precision naval engineering translate into breathtaking acceleration, responsiveness and silence at sea.
Every AB is a bespoke statement of individuality and power, with glass-bright volumes and owner-tailored configurations that merge pure performance with contemporary Italian craft.

AB Yachts is built for those who navigate through the sea with intent, mastery and control.

THE ART OF PRESENCE. DEFINITIVE. UNMISTAKABLE.

The **BRABUS AB150** introduces a bold new expression of modern high-performance yachting, combining the unmistakable design DNA of BRABUS with the engineering expertise of AB Yachts on an entirely new scale. At just over 150 feet (46.5 meters) in length, it brings the BRABUS Masterpiece philosophy to the water with commanding proportions, meticulous craftsmanship and a striking, undeniably elegant silhouette. Its signature BRABUS design creates a powerful presence from every angle, delivering an immediate visual impact inspired by the German luxury brand's One Second Wow mission. Every element contributes to a contemporary, style-forward design – defined by a shared pursuit of perfection.

Powered by four MTU 16V 2000 M96 L engines producing 1,910 kW / 2,600 hp each and a state-of-the-art waterjet propulsion system, the **BRABUS AB150** reaches a maximum speed of 42 knots (77.8 km/h), while advanced stabilization technology supports exceptional comfort underway and at anchor. Inside, the yacht presents a signature BRABUS Masterpiece interior ambience, bringing together brand-typical materials and finishes as well as innovative comfort features throughout the living and social spaces. The helm ensures a direct connection between driver and yacht, integrating intuitive navigation, vessel-management and infotainment systems into a focused, high-performance driving experience.

The **BRABUS AB150** is a definitive statement on the water. It is versatility without compromise: power when you want it, luxury when you need it and unmistakable presence at all times. Expansive deck areas offer generous settings for entertaining, relaxing and enjoying life at sea, while high-end accommodation for up to twelve guests across five bespoke cabins provides a private retreat for those who don't just want to drive BRABUS – but who want to live BRABUSIZED.

TWO WORLDS. ONE VISION.
THIS IS THE BRABUS AB150.

NEXT

YACHT GROUP

TWO SOULS, SHAPED BY ONE VISION.

Next Yacht Group represents a new horizon in Italian yacht building — where technology and craftsmanship converge to redefine life at sea.

Its identity flows from two complementary souls: AB Yachts, the performance-driven expression of speed and precision, and Maiora, the embodiment of quiet elegance and refinement.

Together they form a continuum of excellence that balances adrenaline and comfort, engineering and emotion.

Rooted in the historic Tuscan shipyards of Viareggio and Massa, the Group's mission is to craft yachts that are not only objects of beauty and innovation, but enduring companions of experience — vessels that navigate the future with intent, grace, and unmistakable Italian character.

ENGINEERING GROWTH, BUILDING EXCELLENCE

Today, Next Yacht Group stands as a solid, contemporary industrial player, with over 67,000 sqm of production facilities across two shipyards, complemented by the recent acquisition of a 40,000 sqm facilities in Pisa and La Spezia, an order backlog exceeding €100 million, and more than 380 yachts delivered worldwide.

Since its relaunch, the workforce has grown by more than 140%, supported by dedicated design, engineering, and after-sales teams.

With a 2025 production value of €100 million and ten outfitting stations dedicated to bespoke yacht construction, Next Yacht Group has evolved from a small shipyard into a structured yet still boutique organization—combining industrial strength with flexibility, innovation, and Italian craftsmanship under one distinctive name.

PICCINI

SERVICE

Our support service is designed to offer clients a consistently smooth and worry-free boating experience.
The goal is to ensure continuous and dedicated assistance, with the same level of care and attention provided during the construction phase of the vessel. The presence of the shipyard must remain tangible even in the post-sales period.

Our support team is active and ready to intervene on the vessel within 24 hours, with the capability to operate globally in extremely short timeframes, ensuring constant and timely support.

We approach every intervention with a problem-solving mindset: we don't settle for temporary fixes, but focus on effective, long-lasting solutions aimed at ensuring maximum reliability. Our commitment is to provide the client with complete peace of mind when using their vessel.

The entire Service team, both at the shipyard and in the field, operates with professionalism, unity, and determination always focused on delivering prompt, relaible support, achieving goals and ensuring client satisfaction.

POWER, PRECISION AND ITALIAN DESIGN BLEND TOGETHER IN YACHTS CREATED FOR THOSE WHO DARE TO EXPERIENCE THE SEA DIFFERENTLY.
