YACHT GROUP

Two Souls, One Vision

Next Yacht Group represents a new horizon in Italian yacht building – where technology and craftsmanship converge to redefine life at sea.

Its identity flows from two complementary souls: AB Yachts, the performance-driven expression of speed and precision, and Maiora, the embodiment of quiet elegance and refinement.

Together they form a continuum of excellence that balances adrenaline and comfort, engineering and emotion.

Rooted in the historic tuscany shipyards of Viareggio and Massa, the Group's mission is to craft yachts that are not only objects of beauty and innovation, but enduring companions of experience – vessels that navigate the future with intent, grace, and unmistakable Italian character.
